

Conscious Sedation Continuing Education Course

This is a comprehensive didactic continuing education course, appropriate for all non-anesthesia physicians and nurses who are involved in the administration of sedation and analgesia. This course is designed to present information that will assist independent licensed practitioners, nurses and assisting staff to make decisions in their practice that will result in safer sedation programs. Course has been developed and is presented by an anesthesiologist with over 25 years of clinical experience.

Topics Covered Include

- ❖ Patient Assessment / Selection
- ❖ Airway
- ❖ Monitoring
- ❖ Pharmacology & Pharmacokinetics
- ❖ Documentation
- ❖ Adverse Events
- ❖ Scope of Practice
- ❖ Propofol and Beyond
- ❖ Recovery & Discharge
- ❖ Follow Up & Process Improvement

All members of the sedation team are encouraged to attend together.

This course is eligible for 8 hours of continuing education credit.

Seating is limited, pre-registration is required. Registration can be completed online at www.SedationConsulting.com or by calling 888-581-4448 x 2
